School has started making some parents happy. Additionally, it means the weather will be cooling down with shorter days and we know what is around the corner. The Summer has really been a Summer this year! Members of the club have traveled East to West and North to South. We have been visibly represented in Sturgis, Laconia, Myrtle Beach, Nova Scotia, Tennessee HOG 22nd Anniversary, Geneva NYS HOG Ralley, Maine, New Hampshire, Vermont, Connecticut and West Virginia. Surely some states & trips were made and we have not heard the stories yet, but can catch up soon.

Again, Wednesday evening rides have been a success and greatly appreciated. Thanks to Senior Road Captain Bill Nestuck and everyone that made this happen. Several members have acquired "new rides" and others are busy customizing their ride. Overall this has been and very busy summer for the club and look forward to seeing everyone at the next Chapter Meeting September 18, 2005, 9:30 a.m. at the Saratoga Elks Club. Breakfast in the morning before the meeting starting at 8:00 a.m. Hopefully, the weather will be nice and we can plan on a nice ride. The club will start organizing the Thanksgiving and Christmas families for this year. These Holidays sure come around much to quickly after a great summer.

Thanks to McDermott's and all who helped make their annual picnic a success. Another great ride and food. This riding season has seen brother and sister riders from our Chapter and surrounding Chapters sustain fatal injuries, disabling injuries and loss of their rides or damaged rides. Let everyone finish this season safely.

Hey, Let's Be Careful Out There!
