Hello! Hope everyone has been putting some miles on their machines this year. Americade this year was well attended and our club Davidson was well represented!

Checks from the Poker Run were presented to the Homeless Youth Coalition after the Fathers Day Meeting at McDermott's Harley Davidson. Tom McDermott made the presentation of \$6200.00 to Duane Vaughn the Executive Director followed by a photo opportunity of the "group." Duane provided a photographer for pictures that were just delivered to the three local papers with a news release. What a great job everyone did with all involved being extremely happy!

The next club meeting: July 17, 2005 at the Saratoga Elks Lodge starting at 9:30 a.m. Breakfast anytime after 8:00 a.m. and meeting is summer hours at 9:30 a.m.

#### No Executive Meetings during July and August.

No News Letter in August like last year so any business needing to be conducted will be scheduled at 10:00 a.m. at McDermott's before the Picnic on August 21, 2005. This is a busy time of the season with Trip's and Rally's, i.e., Sturgis South Dakota, Twenty-second HOG Annual Rally Chattanooga Tennessee, Geneva New York etc. The New York State Rally is July 7 - 10 in Geneva New York.

Senior Road Captain, Bill Nestuck, is doing a great job planning rides, picnic rides on Thursdays and keeping it all posted on our Harley Web site! Linda Nestuck and friends are doing some great planning and will be sharing with the club at the July meeting. Good news and better news - Please try and attend as voting on the Xmas party location will be done.

Everyone donating to the Poker Run is receiving a Thank You letter. While signing these there was a great many donations! About half of the monies came from the hard work of Ron French soliciting donations (of course not to be left out Gloria French). Ron spoke with everyone it seems! He provided me with a very detailed list of donations, values of the items and many trips to numerous locations providing the opportunity to win the donated mini chopper. Thank You Ron & Gloria!

Ride Safe

Tom and the gang

I hope everyone is getting out enjoying the hot weather, and successfully dodging the downpours (sorry Ron).

After a few glitches, it looks like the website ride update column is up and running. I'll try to have it changed weekly by Tuesday afternoon, so look for the current ride info then.

If you don't have internet access, and are interested in weekly rides, please call me at home at 587-2786; we'll work something out individually. Look forward to seeing you all ridin' down the highway.

Bill
