## JUNE BREAKFAST

Great morning this month with 56 attending. What made it especially great were the people attending. All of our southern people are back and we had a surprise with Clair and Doris Miller visiting from Florida. We haven't seen them in a number of years and it was great to see them again.

Iny and Jim LeVeille brought Fred and Judy Knapp as their guest, welcome to them. Clem won our birthday drawing and Dave Davidson won the 50/50. The scratch-offs were won by Jim Barr, Kay Cronk, Nancy Smith, Kevin James (won \$5.00), Bob Wood, Dale Bennett, Jim Smith and Ray Taylor (won \$1.00)

Kevin James is hosting a local TV show on Saturday's at 10:00 am and Sunday's at 6:00 AM, coverage includes the Thursday Cruise-in at the Southside Mall from 6:00-9:00 pm. There is a class for motorcycles and they would like to see more entered. The local channel for Time Warner is channel 27 or channel 15 if you are still using an antenna.

The Wed rides start this week and thanks to everyone who has volunteered to lead rides this year. Thanks for stepping up and keeping the Wed rides going. Kay and John have done it for many years and we thank them for their time and planning. Through the efforts of other members we can still keep these rides going. Thanks again.

See you around and safe riding

Terri

## LET'S MEET FOR LUNCH

A great day for motorcycle riding and lunch at Vern's. We only had 18 attending and we had the dining room pretty much to ourselves. Vern also set up a salad bar for us at no extra charge, which also had Chicken rice soup, cottage cheese and the salad. We thought that was very nice of him.

Clem and Elsa bought a large pizza, which Clem said would also be their dinner for the evening. Jim and Anita did the same. One of their lunch specials was a catfish dinner, which Nancy Brenn had, it looked very good.

Paul VanDewerker won our 50/50, and Shirley wasn't even there to give him good luck.

On our way home down I-88, we saw some motorcycles by the side of the road just past exit 13 heading west. When we got off our exit, Ted asked if I thought we should go back in case someone needed a trailer, the one bike the guy was working pretty hard, so we got back on 88E and on the way saw all of them continuing their trip down 88W. We decided as long as we had gone back we would head towards Morris, where we stopped for dessert, then down to Gilbertsville-on into Wells bridge and back up rt 7 into Otego and home. It was a nice ride. Remember, one of the reasons we thought we would try lunch was to give time afterwards to take a ride. Maybe some of you did, but next month let's keep that in mind and find out what everyone is doing and in what direction they are going.

I guess this must have been a busy weekend for some of you too, the summers are hard to fit everyone's schedule in but maybe next month will have a better response. I was told that next month would be at "The Depot" one of my favorite places, love their pizza.

See you soon.

Terri

## Wednesday Rides

The first Wednesday Ride of 2010, planned for June 16th to Perrone Aviation Leather Company in Fultonville, NY, was cancelled due to an 80%-chance- of-rain forecast....and rain it did that day!

Kay and John

Wednesday June 23 was the first Wednesday ride of 2010. The week before rain cancelled the first scheduled ride. Nine bikes and one car took a scenic tour of Chenango, Cortland and Madison counties arriving at Sylvan Beach on Oneida Lake in time for lunch. Riders had their choice of bringing a picnic lunch and eating at the lake's edge or eating at a local restaurant. The morning was overcast but by the time we arrived at Sylvan Beach the sun was shining. The ride home took us through Sherburne where we stopped at Gilligan's Island for ice cream. It was a beautiful day for a ride and everyone had a good time.

Linda & Jim

June 30<sup>th</sup> Weds ride.

We started out at the usual time from Oneonta-took secondary roads to Saratoga Springs- where we had lunch at the Golden Corral.

There were 10 bikes, 1 truck and 20 riders. The day started out a little cool, but the sun came out and it warmed up, it was a beautiful day.

After lunch we went to Yaddo Gardens- where we viewed the beautiful rose gardens- in full bloom at this time. If you are interested in seeing the mansion as well as the gardens you can go on the weekend for a guided tour.

After the Garden we headed home via Broadalbin, where we stopped for ice cream. A ride on Weds would not be complete without ice cream-then we headed home.

It was a great day- thanks to all those who joined in

Elma & Ray
